Using the web interface at vodafonemobile.wifi

You can find the web app on vodafonemobile.wifi if it doesn't appear automatically when you connect. Then login using the password admin.

Then you can see your network and Wi-Fi status, how much data you have used, get help and support, and even send and receive SMS messages from your computer.

Note for UK users only: if you are a Contract customer you can send and receive SMS. Pay As You Go customers will only receive network notifications
