# Using the web interface at VodafoneMobile.wifi

You can log in the web interface using the password **admin**.

Then you can see your network and WiFi status, how much data you have used, manage roaming settings, get help and support, and even send and receive SMS messages from your computer.

## Download the monitor app

The ZTElink app is a quick and easy way to monitor your network on a smartphone or tablet.

Download the app from your device's app store, or scan the appropriate QR code here to take you to the app store.
